

Fluor's Golf For Greenville Grants Wishes

This year the Make-A-Wish Foundation of South Carolina was a recipient of a portion of the proceeds raised by Fluor in their Annual Charity Golf Tournament, Golf for Greenville

The event took place at Green Valley Country Club and The University Club at Furman.

The festivities of Golf For Greenville week also included various other fund raisers and parties that featured the Make-A-Wish Foundation of South Carolina as this year's beneficiary.

When the last stroke was written on the score card, Fluor had raised over **\$200,000** and granted numerous wishes across the upstate!

Special thanks to Fluor, it's generous employees, and all who participated in Golf For Greenville.

HALEY B. POSES WITH THE DISNEY PRINCESSES

Haley's Special Wish

Haley, from Anderson South Carolina, has had a special wish experience from the start. Her wish to meet the Disney Princesses was adopted by a group of US Navy Sailors currently stationed in Iraq. After a televised military escort to Disney and with help from volunteers Ron and Beth Taylor, Haley was given the opportunity to meet not one, but all of the Disney Princesses at a one of a kind photo shoot!

Thanks to all of our volunteers for making incredible wishes come true!
